

FINAL TEACHING PRACTICUM OUTLINE

During your Teaching Practicum, you will have to demonstrate your knowledge with teaching the trumpet. The secret is to be organized and methodical. I will be looking for the following sequence through a “modeling” approach with YOUR beginning trumpet student. – Good Luck and have fun!

1. OPEN CASE
2. HOW TO HOLD THE TRUMPET
3. HOW TO INSERT THE MOUTHPIECE
4. IDENTIFY THE PARTS OF A TRUMPET
5. WHAT HAPPENS WHEN YOU PUSH DOWN THE VALVES
6. HOW A SOUND IS PRODUCED (basic physics)
7. FORMING AN EMBOUCHURE
8. TAKING A BIG RELAXED BREATH
9. GETTING THE AIR THROUGH THE MOUTHPIECE
10. BLOWING THE PIPE
11. PRODUCING THE FIRST SOUND
